"Find it Here" is a campaign designed to deliver the Gospel to 1.5 million households across Kentucky in the weeks leading up to Easter Sunday, 2010.

It is a part of the initiative by the North American Mission Board aimed at fulfilling the Great Commission in North America by the year 2020. "Find It Here" is one of the largest outreach efforts that has ever been attempted in Christian County. How can you help?

- Pray - Pray that God would bring workers for the harvest.
- Participate - Join one of the various teams participating in such activities such as prayer walking/driving to info distribution.

Let us all get involved in spreading the gospel message to everyone in Hopkinsville/Christian County.
